Introduction

So you've decided to drive tons of visitors to your website... good for you! But before you dive head first into a 'business blogging frenzy', you probably need some guidance. And this swipe file will do exactly that. There are 99 article headlines that you can just copy and paste for your own business.

I tried my best to accommodate most niches, but as you can imagine that is impossible. So take liberties! Rearrange headlines, mix and match, come up with your own. And to help you out with that I have also included 11 headline formulas, which you can literally fit in anywhere.

Enjoy!
